Dear Dean:

1. As per our telephone conversation of 23 June, I am enclosing a copy of NIE-18 of 10 January 1951. As I mentioned, while this estimate has been approved for declassification by analysts from State, Air Force, and CIA, I feel that someone from Army better acquainted with BW/CW should check it before it is declassified.

2. Thank you again for the ITAC letter of 8 June. Sorry to have to invoke so soon the assistance offered in paragraph 3.

Sincerely,

Chief, External Branch
